

**Cross Community Advisory Board (CAB) Conference Call  
April 8, 2004**

Focus: Community involvement and issues of importance amongst various network communities.

Three action items:

- Develop a comprehensive “Why Community Input is Important” document (successes and strengths of community input in respective networks, scientific agenda, etc.)
- Identify one representative to participate in the Cross CAB Working Group.
- Schedule a Cross CAB focused meeting.

**Participant List:**

Incomplete
